DEDICATION

The theme of the 1975 *Rameur* is music; therefore, it is fitting and proper that this edition be dedicated to the one person who has done so much for all of the students of Wingfield this year and in years past in the field of music.

Without his leadership, the bands, choirs, and musical productions would not have enjoyed the great success that has been theirs over the past few years.

To show our love, respect, and admiration, we dedicate this, the 1975 *Rameur,* to Wingfield High School's own "Music Man," Mr. Arthur Goodsell.

"United we stand — divided we fall,
And if our backs should ever be
against the wall,
We'll be together."

United We Stand

4. ... It's the re - al thing...

As editor of the 1975 *Rameur*, I have carefully searched through numerous annuals and yearbooks of various high schools to compile information to enable me to compose the closing page of this year's *Rameur.*

Most comments were centered on thanks to faculty members, school staffs, photographers, developers, sponsors, and annual-yearbook staffs. To all of these my sincere appreciation and thanks for jobs well done.

Keeping this in mind and hoping that my closing page will reach all of those to whom it was intended, I wish to express my sincere thanks and appreciation and that of the *Rameur* staff of 1975 to all of the people who actually have made it possible for all students to attend school and further their educations.

By using the term "people," I am speaking to all of the parents of school-age students and the taxpaying citizens who do not have children of their own.

I am personally grateful to have had the opportunity to attend accredited public schools.
